

Mirror people

Through the looking glass

By ALICE

Congratulations and best wishes to the Daleys of Mayfield (Joe and Ann) and the Kellys of Archbold on the birth Thursday, Oct. 8, of Timothy Edward Daley at Mercy Hospital, Scranton. Little Timothy's parents are Timmy and Joanne Daley Kelly, and the proud maternal grandparents (first-timers) are Joe and Ann. The new arrival, who made his appearance just about two weeks late, weighed in at 8 pounds, one ounce. Welcome to the world, Timmy!

Jersey's general George Kitchura, Bell Tel aide, quit Moses Taylor with his sailing back—Andy Thomas' brief stint on the WEEL announcing staff gave way to a talk show with Jim Ward's WARD radio, Pitts- burg. WARD was formerly WFPS, owned by the Foran family of Scranton, whose doctor, Rosemary Gallagher is PR person for St. Joseph's Center. Nice club but recently, she's back to work after a three-month bout with old diabetes.

Well, ALICE did it again, overlooked one of the MIRROR staff's birthdays: Bernice Starnor, office manager and head typewriter, wife of Managing Editor Paul Starnor. She chafed up another natal day Sunday, Oct. 11, as belated wishes anyhow.

Don't forget to wish to John Lawrence, Jr., who turned 19 on Oct. 5 at Ft. Benning, Georgia, where he is "vacationing" with the National Guard. Hope those delectable cookies reached you in time, John, in good shape. We got to sample 15 of them, and your Mom's baking is super.

Congratulations to all those gorgeous young gals who were chosen for the queen's court at homecoming ceremonies at both Lakeland and Carbonate Area high schools, super-student, athletic musician and golfer, Maria Graziano of Crystal Lake, also a staffer at the court. Maria's Daddy says she's just the prettiest bit of girl he's ever seen.

Thank you to Ray Rinaldi, Cdale Scrantonian-Fribourg bureau chief who checked US in last Sunday's paper for our kind words re him. T'wasn't necessary, Ray, we really meant it.

Please visit to Medway, WSLP-FM, (Salem, N.J.) site of WCDL, WSLP-FM, well, we waited a long time, for the transition from Stainless Broadcasting, to break the story of the station's sale. Happy to AT LAST meet charming Marge Zapolsky, general manager, Sharon Dietz, Patty Calabrese, Paul Oles, Joe Martin, et al at the beautifully appointed station. Lots of love to the new owners in their MM ventures. And hooray to Patty for remembering us from the beauty shop miny miny years ago.

Stan (Sr.) and Doreen Hallowich returned home to Jersey after a great two weeks in Ha-vee-aloha. Miss thanks to our first, very first, MIRROR subscriber (who subscribed months before we went to press Aug. 19) Mrs. A. who's vacationing in sunny California and the hubby visiting doctor who lives there. Sent us a great postcard after visiting Universal Studios in Hollywood and watching Ross Hudson filming new series, "Devil Connection." Even better was the wife addressed the postcard.

The MIRROR, Carbonate's Best Paper, (Whaddya want for Christmas, honey?) Can't reveal her identity till she and better-half return from their four-week sojourn in the West.

Belated birthday wishes to John Lawrence, Jr., who turned 19 on Oct. 5 at Ft. Benning, Georgia, where he is "vacationing" with the National Guard. Hope those delectable cookies reached you in time, John, in good shape. We got to sample 15 of them, and your Mom's baking is super.

American Legion will honor area men

Dr. Thomas Coleman of Carbonate and Dr. P. M. Menck, executive director, N.E.U., will be honored by the American Legion at the annual veterans' award dinner to be held at the Montclair Country Club on Thursday, Oct. 29.

Making the announcement of the awards were Robert Kelly, 11th District commander, American Legion, and Frank X. McDonnell, 11th District employment chairman.

Dr. Coleman, who will receive the Distinguished Service Certificate from the Albert H. Crane Post 221, a family practice physician who has been outstanding in his service to the youth of the community.

He is the originator of the Frank Lee Memorial Fund, was one of the organizers of Little League Baseball in Carbonate in 1951, served as president of the Carbonate Recreation Committee from 1957 to 1955, and is a trustee of the Carbonate YMCA.

He was elected president of the Carbonate County Medical Society in 1981 and is the first society president from Carbonate. He has served the society in the past in various offices and as chairman of a number of committees responsible for operations within the group.

Dr. Coleman is a charter fellow of the American Academy of Family Physicians, and member of the American Diabetes Association.

He resides in Carbonate with his wife, the former Mary McDonnell, and has been in private medical practice in that city since 1947.

Dr. Menck, who will receive the Pennsylvania Department of American Legion Certificate of Appreciation, received his bachelor of arts degree from the University of Scranton, master of liberal arts, Bucknell University, and doctor of philosophy in education, Pennsylvania State University.

He was the recipient of the "Man of the Year" award from the State Mental Health Society, and received other awards from the Carbonate United Fund, Rotary and Lions Club, and is a lifetime member of the Carbonate Fire Co.

Mirror reports

City hall reports

Fallen limb

The city recently had to cut down a tree on the Sixth Avenue side of Memorial Park, opposite city hall.

Initially, one limb was hanging from the tree, bringing complaints from those who frequent the central city park during warm weather.

Street foreman Paul Mink went to cut the offending limb of the tree and found the whole tree diseased, with a cavity through the center.

"Thus, the entire tree was cut down instead. According to managing director Martin P. Judge, there are no immediate plans to replace the tree.

Street sweepers out

The city's street sweepers are still out and cleaning up city streets every day.

But it won't be long before the cleaning equipment is put away for the winter.

The city's managing director, Martin P. Judge, told the Carbonate MIRROR that the equipment will be put away once the temperatures start dropping to the freezing level.

The equipment is then stored because of its water system which sprays water onto the street before it is swept or vacuumed up.

Jermy's Coda Road came up with a most unusual one this week, her recipe for green tomato bread. Recipe doesn't say by the way to the original, and this is NOT a contest—just sharing your favorites with our other readers.

After interviewing the west side's recipe queen, Jay Clark recently in her lucrative restaurant and contents hobby, we're clipping and print coupons like mad. All of us suffering from the malaise of inflation can learn a valuable lesson from this smart consumer. It's always fun to do an interview that really makes us, believe me, that doesn't always happen!

How that we've used up 6266 key strokes on our little VDT Varsity (who knows) it's always fun to do an interview that really makes us, believe me, that doesn't always happen!

Congratulations to all those gorgeous young gals who were chosen for the queen's court at homecoming ceremonies at both Lakeland and Carbonate Area high schools, super-student, athletic musician and golfer, Maria Graziano of Crystal Lake, also a staffer at the court. Maria's Daddy says she's just the prettiest bit of girl he's ever seen.
